

# Coverage changes for Adderall XR, Concerta and Advair Diskus

Effective **April. 1, 2020**:

- Generic formulations of Adderall XR (dextroamphetamine/amphetamine XR), Concerta (methylphenidate ER) and Advair Diskus (fluticasone/salmeterol) are excluded
- Brand name Adderall XR, Concerta and Advair Diskus are covered at Tier one. For those members in a high deductible plan that have not met their deductible, they will be charged the generic price for the medication.
- If a pharmacy bills for generic, the claim will reject and inform the pharmacy to bill for the brand with a DAW-9 code
