## PHYSICIANS HEALTH PLAN

P.O. Box 30377

Lansing, MI 48909-7877

517.364.8400 or 800.562.6197

This directory will help you find an in-network Physician/Practitioner/Provider. For a complete description of services and benefits, please refer to your Certificate of Coverage.

**You are responsible to verify the participation status of the Physician/Practitioner, Hospital or other Provider before you receive health services.** You must show your Member ID card every time you request Health Coverage.

You may contact Physicians Health Plan's (PHP) Network Services Department at 517.364.8312 or 800.562.6197 for additional information regarding Physician/Practitioner/Provider credentials (including Medical School, Residency, Board Certification and Accreditation status). Information may also be found on PHP's website at [PHPMichigan.com](http://PHPMichigan.com). This includes primary hospital privileges, office hours and whether they are accepting new Patients. This website houses the most current information. A board certified Physician (MD or DO) has completed an approved educational training program (residency training) and an evaluation process including an examination designed to assess the knowledge, skills and experience necessary to provide quality patient care in that specialty. There are two certifying umbrella organizations: the American Board of Medical Specialties (<http://www.abms.org/>) and the Bureau of Osteopathic Specialists and Boards of Certification (<https://certification.osteopathic.org/bureau-of-osteopathic-specialists/>).

PHP reimburses Physicians/Practitioners/Providers a fee for each service rendered. If you would like to understand more about the payment methods used for reimbursement, please call the Network Services Department at 517.364.8312 or 800.562.6197.

You can verify the participation status by calling Customer Service at 517.364.8500 or 800.832.9186. If necessary, Customer Service can provide assistance in referring you to Physicians/Practitioners/Providers who participate with PHP.

You can visit our website at: [PHPMichigan.com](http://PHPMichigan.com)
