## Changes to the Statin drug class

PHP is making some changes effective 1/1/2018 to the Statin class of medications.

Effective 1/1/2018 the following medications will be available to members 40-70 years of age for \$0 copay:

- Atorvastatin 10 mg and 20 mg
- Fluvastatin 20 mg and 40 mg
- Fluvastatin ER 80 mg
- Lovastatin 10 mg, 20 mg and 40 mg
- Pravastatin 10 mg, 20 mg, 40 mg and 80 mg
- Rosuvastatin 5 mg and 10 mg
- Simvastatin 5 mg, 10 mg, 20 mg and 40 mg

NOTE: For members through 39 years of age and members age 71 and greater, the copay will still apply at the Tier 1 benefit.

*The following is a list of medication that Physicians Health Plan has determined meet, and in some cases exceed the requirements and recommendations issued by the Affordable Care Act (ACA). The ACA requires that non-grandfathered health plans cover preventive care services with no patient cost-sharing. These services must be provided by an in-network health care provider. The list is subject to change. Please contact Customer Service at 800.832.9186 for additional information.*

*\*Non-Grandfathered - a plan effective after the Affordable Care Act (ACA) was signed on March 23, 2010, or a plan that existed before the ACA, but lost its grandfathered status at renewal.*
