Important Notice on Patient Protection Provisions Included in Your Plan as Part of the Affordable Care Act

You do not need authorization from us or from any other person in order to obtain access to obstetrical or gynecological care from a Network Provider who specializes in obstetrics or gynecology. However, the Network provider may be required to obtain authorization prior to certain services, which are listed in your Certificate of Coverage. Your Plan covers Emergency Health Services in any hospital emergency department. Your Plan will not require prior authorization or impose any other administrative requirements or benefit limitations that are more restrictive if you receive Emergency Health Services at a Non-Network facility. However, a Non-Network provider may send you a bill for any charges remaining after your Plan has paid. 1/23
