\*Brand Generic Difference (RX): If you or your physician wants you to have a brand-name drug that has a generic drug that is chemically the same, you pay your applicable copay or coinsurance amount plus brand generic difference charge (the difference between the cost of the brand-name drug and the generic drug).

Associated services: charges for diagnostic or supportive services (ex,. lab/path, radiology, professional fees, medical supplies)

Certain covered health services must be approved in advance by PHP. The phone number to call to request approval is on the member ID card. Covered Health Services must be medically necessary as determined by PHP medical policy and nationally recognized guidelines. Member materials, including the Certificate of Coverage, can be found online at our Member Reference Desk. Members may access benefit information on the Member Reference Desk through our website at www.phpmichigan.com. Exclusions include:

## Experimental or investigational procedures or services

• Custodial care, bed care, convenience care, day care, domiciliary care

• Hearing aids and services

- Routine dental care
  - Cosmetic surgery
  - Elective abortion

For additional information about Exclusions, contact our Customer Service Department or review the Certificate of Coverage for this Policy. This Summary of Benefits is intended only to highlight the Benefits provided under PHP [Insurance Company] and should not be relied upon to fully determine coverage. This health plan may not cover all health care expenses. If this description conflicts in any way with the Policy issued to the Enrolling Group, the Policy will prevail. For answers to questions about information which appears in the summary, call our Customer Service Department at 517.364.8456 or 800.203.9519.

## Important Notice on Patient Protection Provisions Included in Your Plan as Part of the Affordable Care Act

You do not need authorization from us or from any other person in order to obtain access to obstetrical or gynecological care from a Network Provider who specializes in obstetrics or gynecology. However, the Network provider may be required to obtain authorization prior to certain services, which are listed in your Certificate of Coverage. Your Plan covers Emergency Health Services in any hospital emergency department. Your Plan will not require prior authorization or impose any other administrative requirements or benefit limitations that are more restrictive if you receive Emergency Health Services at a Non-Network facility. However, a Non-Network provider may send you a bill for any charges remaining after your Plan has paid. 1/23
