Coverage for: Individual or Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage you can access our Member Reference Desk or by calling 1.866.539.3342 or 517.364.8567 locally. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, coinsurance, copayment, deductible, provider, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1.866.539.3342 or 517.364.8567 locally to request a copy.

| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                                | \$1,000 Individual / \$2,000 Family  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. Preventive care and other services as noted are covered before you meet your <u>deductible</u> .                                | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.allwayshealthpartners.org</u> .   |
| Are there other<br>deductibles<br>for specific<br>services?               | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | \$8,000 Individual / \$16,000 Family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums and health care this plan doesn't cover.  | Even though you pay these expenses they don't count toward the out-of-pocket limit.   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See <u>www.phpmichigan.com</u> or<br>call 1.866.539.3342 or<br>517.364.8567 locally for a list of<br><u>network providers</u> . | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.  | You can see the network specialist you choose without a referral.   |

## About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
