| What is the overall deductible?                                      | \$1,000 Individual / \$2,000 Family  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive care and other services as noted are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                              |
| Are there other <u>deductibles</u> for specific services?            | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$8,000 Individual / \$16,000 Family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, balance-billed charges, health care this plan doesn't cover, services that exceed an annual day/visit limit, and any co-pays and co-insurance you pay for any non-essential health benefits. | Even though you pay these expenses they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.phpmichigan.com">www.phpmichigan.com</a> or call 1.866.539.3342 or 517.364.8567 locally for a list of <a href="https://network.providers">network providers</a> .        | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
